The Sky's the Limit

Camp Imagination

Ages 5-8

240-777-6870

Here's a remarkably energetic summer camp that is always a popular choice. Each session campers experience a new theme of fast-paced fun that includes camp games, crafts, special events and oodles of imagination and creativity. Recreational swimming twice a week and a field trip the first three sessions at a modest additional fee makes this camp a great choice for kids who love to have a good time.

All camps listed on this page are connected to a morning and afternoon Extended camp. See information beginning on p.20 describing the bus transportation that links them. Camps will not meet on Friday, July 4.

SESSION THEMES

Session 1: 6/16-6/27

Go Green: Reduce, Reuse, Recycle

Start the summer off on the right foot by Going Green! Camp Imagination will explore personal responsibility for the Earth, and how to assess our impact on the environment. We will study recycling, composting, waste reduction and more to learn environmentally-responsible behaviors for camp and home! Campers will use hands-on activities including camp games, songs, creative movement and crafts (made from recycled materials, of course!) to enhance the learning experience.

Session 2: 6/30-7/11

Red, White & Blue: American Heroes

Camp Imagination will celebrate what really makes our country special: American Heroes. We will meet and learn from real American Heroes, and discover what it takes to be a positive role model. Campers will enjoy games, creative crafts, stories and role playing as we learn about some of the heroes in our community including police officers, fire fighters, paramedics and more! We will also use our imaginations to learn about heroes of the past and our favorite super heroes!

Session 3: 7/14-7/28

Island Adventure

Welcome to paradise! These 2 weeks will be full of island-themed fun and activities where campers will learn about survival skills and teamwork. Our imaginations will take us on cruises to exotic islands where we will explore the different adventures that the islands have to offer. No time for resting in our hammocks here; these two weeks will be full of fun and adventure as we celebrate the summer with exotic camp games, tropical crafts and more!

Session 4: 7/28-8/1

Summer Olympics

Go for the gold this summer with Camp Imagination! We will bring the summer games to life by learning about some of the sports and contests that will be a part of the 2008 Summer Olympics. Campers will celebrate the Olympic spirit as we kick off with an opening ceremony. We will hold our own mini-Olympics including obstacle courses, relays and other fun contests in a non-competitive environment that emphasizes teamwork and cooperation. From the lighting of the torch to the closing ceremony, we will discover it all!

For fastest registration priority, use RecWeb, Starline, or register in person!

The Recreation Department offers five ways to register for activities: RecWeb internet registration, STARLine touchtone telephone registration, walk-in registration, mail, and fax. See page 48 for more information about each of these registration procedures.

A note about fax and mailed registrations: Our Customer Service representatives process faxed and mailed registrations as quickly as possible; but we cannot guarantee that these registrations will be processed immediately upon receipt. If there are walk-in customers at the Customer Service window when faxed or mailed registrations are received, the walk-in customers are served before the faxed or mailed registrations are processed. If faxed or mailed registration forms are received prior to the first official day of registration, these forms will be secured in a safe until registration begins. At that time, the faxed or mailed registrations will be processed, but may not necessarily be processed in the strict order that they were received, and all will be treated as if they arrived on the first day of registration.

Register from the comfort of your own home or wherever you have an internet connection!

No need to walk in or mail in your registration form. Your registration is complete with only a few mouse clicks using RecWeb Internet Registration! You must have an account with us before you register via RecWeb.

For more information about RecWeb, visit our website at www.montgomerycountymd.gov/rec and select Registration.

For those who prefer to register on the phone, we still offer STARLine, our automated touchtone phone registration system. Visit our website for complete information about using STARLine.

On Site Camps

Each Extended Camp lists the camps that operate at the same location and therefore require no transportation.

Note: No midday transportation is provided and camp will not meet on Friday, July 4.

Bus Transportation

Buses that transport campers to and from a number of camp selections are listed for each Extended Camp. Choose a camp that is linked to the Extended Camp of your choice. Bus Transportation is free, but registration is required for your child's safety.

Bus Code

Be sure to include the correct bus code on the registration form for both AM and PM, if that's what you need. Bus pick-up and drop-off times will be included in the parent packet sent to you in June; or you may find it online when it is posted at montgomerycountymd.gov/rec in May.

Heat & Ozone Alerts

Some program facilities may not be air conditioned. When code red ozone alerts and high temperature warnings are issued, all programs limit their outdoor activity.

Becoming a Leader

Volunteer Opportunities

The mission of the teen volunteer program is to train teens to become recreation leaders and to provide assistance to our summer programs. Teens are given the opportunity to enhance leadership skills, develop communication skills, and increase confidence while working with children. Student Service Learning hours may be earned upon the successful completion of the program.

Responsible teens that are able to make a two-week commitment (three weeks for Summer Fun Centers) are placed on the basis of interest, skill, location preference, availability, and ability to attend the required training.

Teen volunteers are needed in Therapeutic Recreation as Mainstream Companions to campers with disabilities as well as Therapeutic Recreation camp assistants. Call the Therapeutic Recreation team at 240-777-4925.

For more information or to receive an application, call 240-777-6985.

Americans with Disabilities Act

Montgomery County Government is committed to complying with the Americans with Disabilities Act (ADA). As a result, children and teens with disabilities may register for the most appropriate programs for their age, needs, and skill level. There are two options: Therapeutic Recreation camps specifically designed for individuals with disabilities or inclusion in general recreation programs.

If your child needs auxiliary aids or services in order to participate (such as a companion, ASL or cued speech interpreter, or large print), or if your child has a 504 plan or IEP at school, please call a Therapeutic Recreation Specialist to discuss your child's needs (240-777-4925).

If your child has a Special Education placement at school, a volunteer companion to work one-on-one may enhance his or her experience at camp. Since placements are limited, *registration and requests for companions must be made at least 3 weeks before the start of the program.* Companions may not be available every session.
